

## Rainy Day Festivals

Pull on your summer party outfits, come rain or shine we can party like its hot what ever the great British weather is doing.

If you have planned a Summer Party, Festival or a Garden Party, we have a few Ideas to Share with you to make the day a rave!

If you can get some old sheets and tie dye them, choose a room you can drape these from the ceiling and around a door frame to make it look like a tent. Hang fairy lights around the ceiling and make this a dance tent.

You can hang rainbow decorations, bunting and balloons all around the dining room and put a lovely spread on using colourful plates, cups and tableware, set up a top table for the food using our Summertime Table Pack . Use the cone hats for food cones so not balancing your butties then wear as a hat afterwards!

Over all the door ways put ribbons of crepe paper or chiffon scarves to act as tent openings and put sign posts on the walls so It looks like a festival site.

If you have a gazebo that would fit Indoors bring It In and set It up as a beer tent or Refreshments area.

If you have a smart TV look up links to old concerts like Woodstock and Glastonbury from earlier years. You can have some of the documentaries available on You Tube on in a quiet room for those who want to get away for a while from the party.
